Observations

This work is entitled "Cadenera-cadenera" for we believe it may correspond to the painting Dalí presented at the exhibition held at Galeries d'Art Catalònia in Barcelona, from the 2nd to the 4th of October, 1934, number 2. A month later, this same work was also presented at the Julien Levy Gallery, New York under a different title: "Cadenera - cadenera", since the painted animal corresponds to a different bird species.
