Observations

This picture was painted between 1969 and 1970, but as it is signed and dated 1970, we have taken the latter year as the date of execution. With regard to its exhibition history, it was shown "in progress" in the New York gallery of M. Knoedler & Co., Inc. in 1970, as noted in the catalogue. With regard to its bibliography, we would like to draw attention to the study of the painting by Luis Romero in "Todo Dalí en un rostro" (Barcelona / Madrid. Blume, 1975).
